

# Enterprise & Business Roadshow: 19th - 20th August

Fife Council's Economic Development Team are looking to help your business to survive and thrive with our Enterprise and Business Development Roadshow which will take place on the 19th and 20th of August.

The Roadshow will not only provide details on the full range of support services you can access as a tenant of a Fife Council property, it will also provide a few ideas for improving your business.

So why not pop in and discover what other services you can access.

## HOW WE CAN HELP

Some of the information that will be provided at the road shows will be:

- What additional services the Council can provide
- How to get your news stories published in FBM / Press / Council promotions
- Which events the Council delivers
- What funding support may be available
- Information on markets which may offer your business potential
- How to find out more about modern apprenticeship schemes
- How to win tenders with the Public and Private Sector

## Travel to Work Options

Employees have never had as many choices to get to work. Break out of your daily routine and try something different. Something that can make you feel better, save money, reduce traffic around your local area and save the environment we live in.

Think about how you get to work, is there an alternative to the car?

- Walking
- Cycling
- Car Share
- Public Transport
